Based at: Gablecross Police Station

I have been a Police Officer with Wiltshire Police since 2004 and throughout this time I have worked in Swindon which has provided me with many different types of experiences. These experiences have led me to strongly believe that the best way of tackling and reducing crime is by involving all members of the community to work towards safer neighbourhoods and a better environment. The Swindon Rural South Neighbourhood Policing Team has a team of hardworking dedicated and experienced Officers and I look forward to working with you to tackle your community issues in order to ensure the area remains safe and a place where you can be proud to live.

NEIGHBOURHOOD POLICING TEAM

My role as the Community Beat Manager is to co-ordinate a dedicated team in addressing community concerns. Together with my Police Community Support Officers (PCSOs) Mark Chivers and Melissa Camilleri, we will work with you to improve your quality of life in this neighbourhood.

PCSOs provide regular foot patrols in your neighbourhood and help to solve problems such as anti social behaviour.

We can be contacted regarding any of your community concerns on 0845 408 7000.
